

Sponsorship Package

- We are thrilled to extend an invitation for your sponsorship of the 18th Australian Network of Structural Health Monitoring (ANSHM) Workshop.
- This event, hosted by Curtin University, will take place in Perth from 23 to 25 November 2026.
- The annual ANSHM Workshop is anticipated to bring together an audience of 80–100 experts across disciplines—technology providers, infrastructure owners, researchers, and regulators—to present cutting-edge developments and flagship projects in the SHM space.
- This presents an exceptional opportunity for your brand to establish a presence, demonstrating your influence and commitment to smart infrastructure maintenance and health monitoring.
